Drevnosti Severa, Russia. Hardcover. 615 pages. ISBN 9785930611571. In Russian. 2020.

This edition is the second part of the "Church-Historical Atlas of the Vologda Metropolitanate" dedicated to the temples, chapels and monasteries of the Vologda diocese. The publication includes materials describing monasteries, parishes and the state of churches and chapels in two chronological sections: 1916 and 2019. The data for the beginning of the twentieth century were taken from the clergy and monastic records with some clarifications and additions. For 2019, the state of historical and the presence of modern buildings of temples and chapels is characterized. Each temple is described in tabular form, marked on a modern map at a scale of 1 cm: 1 km and, as far as possible, represented by historical and modern photographs.
